Pastor's Corner

The feast of Corpus Christi is one time when our Lord in the Blessed Sacrament is exposed not just to faithful Catholics but to all the world. This is a time when Catholics can show their love for Christ in the Real Presence by honoring Him in a very public way. It is also a wonderful way in which we can show our love for our neighbors by bringing Our Lord and Savior closer to them. So many conversions are a result of Eucharistic Adoration experienced from inside the Church. How many more there would be if we could reach those who only drive by the church in worldly pursuits.

Today's solemnity helps us to give Christ the centrality which is his due in the divine plan for humanity, and spurs us to configure our lives more and more to him, the Eternal High Priest.

May Mary, who bearing Jesus in her womb was the first living "tabernacle" of the Eucharist, communicate to us her same faith in the holy mystery of the Body and Blood of her divine Son, so that it may truly be the centre of our lives.
